

## Company Description

ING Commercial Banking meets all of the banking needs of corporations and large multinationals, as well as financial institutions. With a history that stretches back some 200 years, we have made a name for ourselves by helping clients build successful businesses. We do this by ensuring we understand their unique needs, by being a trusted advisor to them for the long-term and by proactively creating innovative solutions and executing them flawlessly.

Delivering on this promise to our clients has helped ING Commercial Banking become one of Europe's leading commercial and corporate banks and an important international player.

In addition to the basic banking services of lending, payments and cash management and treasury, we provide tailored banking solutions in areas including corporate finance, leasing, structured finance, commercial finance (factoring), equity markets and debt capital markets.

In short, we can finance your growth, manage your day-to-day banking needs and provide you with a full range of banking solutions to help you achieve your business goals. We can help you manage your business risks more effectively, and grow with more confidence.

We are a truly international team of more than 11,000 banking professionals with local knowledge and a presence in 40 countries.
